PARWAIZ MUSHARRAF

software engineer

PROFILE

Enthusiastic and highly motivated fresher Software Engineer with a strong foundation in MERN Stack Development and a Diploma in Information Technology from Maulana Azad National Urdu University. Proficient in designing and developing responsive web applications using HTML, CSS, JavaScript, React.js, Node.js, Express.js, and MongoDB. Completed hands-on internship projects that reflect a solid understanding of full-stack development, API integration, and real-world problem solving.

Quick learner with a passion for technology, teamwork, and building efficient solutions. Eager to contribute to a dynamic development team and grow as a full-stack developer in a challenging and growth-oriented environment.
